Big Boss A.T.V.

Type: A.T.V. Dune Buggy

Crew: 1

Passengers: 3

Cargo Capacity: 100 kilograms

Move: 230 kmh

Length: 4.8m

Weapons:

- Weapon Type: Laser Cannon
- Range: 300yds effective

A popular all terrain vehicle with good speed.

The bigboss has a fully enclosed cockpit and such large tires you won't even notice what your driving over. These monster wheels are a tough composite that will take several laser blasts or direct hit from a mini-missile to destroy. The body is well shielded while remaining light. It takes sizeable payload to punch through to the crew. The mounted laser is powerful enough to drive off most supernatural animals, and will be asset in a fight with D-Bees or otehr aggressors. Enjoy the protection and the ease of travel with this model.
